“COASTAL CLEANING-MARINA BEACH”

NSS SRM IST, vadapalani campus was organized a “Beach Cleaning” at Marina Beach, on 15 April 2023. The main aim of this program was to clean the beach side and make plastic free environment. Giving students an opportunity to explore, while imbibing important values within themselves was the agenda, this Beach Clean-Up was one such avenue for many students for first years to engage in such community service. Removing trash from beaches will not just ensure a beautiful coastline but help maintain a healthy marine ecosystem. Around 60 active Volunteers of the institute engaged in cleaning and collecting the garbage on the Beach side. Garbage bags were bought prior to the clean-up and for personal safety measures gloves were worn. The students collected stall remains and plastic waste and had took initiative to dispose them at the appropriate place.
